Allen		I would like to see Allen focus more and increase the amount of work he does in class and at home. If he has any questions I would also encourage him to ask me or even send me an email.
Brandon		Brandon is a class leader who works well and brings a good energy to the class. He gets his best results when he is concentrating. Next semester I would like to see him write more in class.
Brian		Brian can sometimes lose concentration in class and therefore doesn't get as much out of the class as he could. Next semester I would like to see him concentrate more and ask more questions.
Candy		Candy worked well during the creative sentence writing part of the class and did well, however I would like to see Candy take more risks with her creative writing next semester.
Coco		Coco has been working well in class putting a lot of effort into her sentence writing. Her creative writing will improve with time and practice.
Eric		Eric has been putting in a good effort throughout the class. He brings a good energy to the class and is writing well.

Fred		Fred has been putting in a good effort throughout the class. He brings a good energy to the class and is writing well. Next semester, just watch the grammar and try to write more in class.
Harry		Harry is a quiet student who is putting in a reasonable effort. Next semester I would like to see him write more in class and to ask more questions.
Hank		Hank is a hard working student, who tries to used the imformation that he learns in class and applies it to his writing.
Joy		Joy has some of the most creative ideas in the class, and is developing into an excellent writer. I am looking forward to reading her work as she develops as a writer.
Jeff		Jeff has some good ideas, but will need to concentrate more in class. Next semester I would like to see Jeff ask more questions and write more.
Joyce		Joyce has some good ideas. Next semester I would like to see her ask more questions and write more.
Leon		Leon is a quiet student who is working well. If he in unsure he asks questions, and is producing some very creative work.
Penny		Penny is a quiet student who is working well. Penny will continue to improve slowly.
Terry		Terry struggled a little bit with some of the sentence writing, but learnt a lot as a result. His writing has really surprised me. He is doing well.
Tina		Tina is a quiet student who is working well. If she in unsure she asks questions, and is producing some very creative work.
